

CRYPT of the VAMPIRE

WILLIAM SHAW

In the dungeons and corridors beneath a lonely mansion you confront the evil vampire Lord Lamtorus, his questions and parables, supernatural abilities, adventures endorsed by his faithful will and hideous, undead minions that seek to slay you. Despite the terrible dangers you must prevail and lead the way to the very deepest chamber of the crypt for only you can destroy the vampire lord and end his reign of terror for all time!

This is fantasy adventure with a difference - YOU are the Lord Lamtorus! Success and even death are all you need to embark on your quest. Success and not riches - or failure and a cruel death - will depend on the decisions YOU make!
